NEW PATHWAYS TO SUCCESS:

TAKING YOUR ASPIRATIONS FROM AN IDEA TO A REALITY

The difference in the successful person and the unsuccessful person is in the planning. "Plan you work, and Work your plan". Come learn how to plot your goals to experience lasting results. This can be applied to work, home and personal goals. This workshop is the building block for your personal success this year. We will look at tools that promote productivity, the realization of your goals, effective skill-building, and how to incorporate daily habits into lifelong dreams.

BUSINESS ETIQUETTE 101:

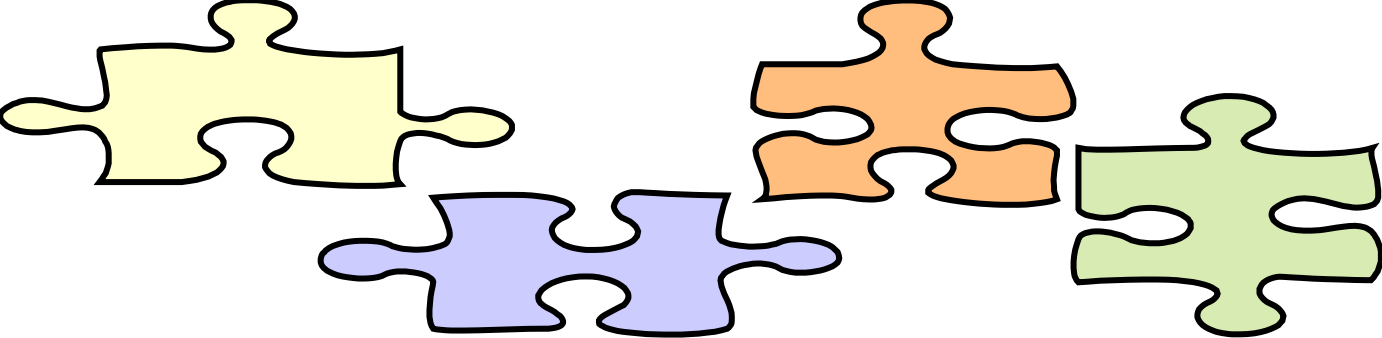

REDEFINING PROFESSIONALISM IN THE WORKPLACE

In today's society there are common threads which identify business professionals in the workplace and marketplace. These threads are built on sound principles that determine the success of an individual or business. In this session we will focus on workplace etiquette, proper business attire, career building tips, and share lessons from the field on how to market yourself for a future success.
